A Ghost Cop possesses a Cowardly Taxi Driver to bust supernatural bad guys who dominate the underworld... uh, both underworlds.

When tough cop Nick Mann is killed in the line of duty, he's so angry he won't leave Earth until the Perps are busted. The only person who can see or hear Nick is rotund Henry Du – the best cab driver in the city! So sarcastic ghostly Nick “haunts” cowardly Henry into being his terrified reluctant sidekick. The semi-supernatural duo takes on the most powerful gang in the city led by an immortal sexy Succubus and her paranormal henchmen. Little do our heroes know the evil matriarch of the felonious dynasty has been practicing her trade for a hundred years and treats heroic opponents as a mere inconvenience.

Gee, I hope our guys stand a chance.
